

ISO/IEC 20000
IT SERVICE MANAGEMENT
SYSTEMS CERTIFICATION

ISO/IEC 20000 is a Service Management Systems (SMS) standard which specifies requirements for the service provider to plan, establish, implement, operate, monitor, review, maintain and improve an SMS. Most importantly, ISO/IEC 20000 certification validates that a company can continuously improve the delivery of their IT services.

By obtaining ISO/IEC 20000 certification, you will enable your company to have reliable, effective, consistent and continually improved IT services.

ISO/IEC 20000 certification (also known as “registration”) is a third-party audit performed by a certification body such as MSEC B who, upon verification that an organization is in compliance with the requirements of ISO/IEC 20000, will issue an ISO/IEC 20000 certificate. This certification is then maintained through regularly scheduled annual surveillance audits by the registrar, with re-certification performed on a triennial basis.

Benefits of ISO/IEC 20000 certification to your organization:

- Globally recognized Certification
- Decrease in number of incidents and enhancement of incident management
- Increased customer satisfaction with quality service delivery
- Better comprehension of responsibilities and business targets
- Ability to manage and protect the organization, assets, stakeholders and management
- Improving organization reliability
- Improvement of response times with minimal disruptions to IT service
- Attaining financial savings by efficiently managing costs
- Ensured continual improvement
- Boosting awareness towards legislative and regulatory acquiescence

Benefits of ISO/IEC 20000 certification to your customers:

- IT service delivery on time
- Less IT related incidents and vulnerabilities
- Increased credibility and trust

MSECB is specialized in the certification of management systems on a wide range of international standards. As a global provider audit and certification services, MSECB offers its expertise on multiple fields, including but not limited to Information Security Essentials.
